

Announcement of Walailak University

Direct Student Admission

to the Bachelor of Medical Technology (International Program) for Academic Year 2027

Medical Technology (International Program)

School of Allied Health Sciences, Walailak University

The School of Allied Health Sciences, Walailak University, invites applications for International Direct Admission to the Bachelor of Medical Technology (International Program) for Academic Year 2027. Applications are open to students currently in Grade 12, those who have completed Grade 12, or those holding equivalent secondary education qualifications from educational institutions in Thailand or abroad. Walailak University is committed to providing equal educational opportunities and an inclusive learning environment that supports students of all backgrounds and gender identities.

1. Applicant Qualifications

1.1. Educational Background Applicants must be currently enrolled in or have completed Grade 12 (Matthayom 6) or an equivalent level of secondary education at:

- A secondary school outside Thailand; or
- An international school in Thailand.

Applicants with alternative secondary education qualifications or grading systems will be assessed by the Selection Committee to determine equivalency.

1.2. Health and Suitability for Admission Applicants must be in suitable physical and mental health to undertake the academic, laboratory, and clinical components of the program. They must also demonstrate personal qualities and professional conduct appropriate for medical technology education and future professional practice.

1.3. Health and Medical Conditions Applicants must comply with the University's health and substance-related eligibility requirements and provide a medical certificate issued by a licensed medical professional.

The medical examination must address the following conditions:

- Leprosy in an infectious stage.
- Active tuberculosis in a dangerous stage.
- Elephantiasis (lymphatic filariasis) with symptoms that may interfere with professional practice.
- Chronic alcohol dependence.
- Other medical conditions that may substantially interfere with the essential requirements of medical technology education and practice.
- Severe color vision deficiency that may interfere with essential laboratory or clinical activities.

2. Application Requirements for the Medical Technology (International Program)

2.1. Admission Methods Applicants will be evaluated through one of the following methods, depending on their educational background and grading system.

- **Method 1: Applicants with a Cumulative Grade Point Average (GPAX)** Applicants will be evaluated based on their cumulative GPA and portfolio.
- **Method 2: Applicants Without a Cumulative GPA or Using an Alternative Grading System** Applicants from international schools or overseas educational systems that do not use a cumulative GPA, or that use a different grading system, will be evaluated based on their academic transcript or equivalent academic records and portfolio.

The Selection Committee will determine the equivalency of their academic qualifications.

2.2. Application Requirements

1) Academic Transcript

- **Applicants with a GPA:** Must have a minimum cumulative GPA of 3.00 based on at least five (5) semesters of academic results. The transcript must be certified as a true copy and bear the official school seal.
- **Applicants without a GPA:** Must submit an official academic transcript or equivalent academic records for evaluation by the Selection Committee.

2) Science and Mathematics Background Applicants must have studied both Science and Mathematics during their secondary education. Applicants must have completed at least one course in each subject.

3) Portfolio Applicants must submit a portfolio of **no more than 10 pages, excluding the front and back covers**, showcasing their academic achievements, extracurricular activities, and relevant experiences.

The portfolio should include:

- Cover page.
- Personal profile or self-introduction.
- Educational background.
- Awards, certificates, academic achievements, competitions, or other relevant accomplishments (if any).
- Extracurricular activities, leadership experience, community service, or other activities demonstrating social responsibility (if any).
- Personal interests or hobbies (optional).

4) **Essay Requirement** Applicants must submit a one-page essay on the following topic: "What do I know about the role of a Medical Technologist, and what do I want to achieve after graduation?" The essay must be typed in English and limited to one page. No specific template is required.

5) **English Proficiency English Proficiency** Applicants are encouraged to submit English proficiency test scores as supporting evidence of their English language ability. Examples include TOEFL, TOEIC, IELTS, WU-TEP, CU-TEP, CEFR-aligned assessments, or other recognized English proficiency tests. If submitted, test scores must be no more than two (2) years old at the time of application.

   Native English speakers are not required to submit English proficiency test scores.

6) **Medical Certificate** Applicants must submit a medical certificate issued by a licensed medical professional.
   - **Validity:** The medical examination must have been conducted within three (3) months before the application submission date.
   - **Required Form:** Applicants must use the official medical examination form prescribed by the School of Allied Health Sciences, Walailak University.
   - **Color Vision:** Applicants must meet the program's color vision requirements for laboratory and clinical training.

3. Application Procedures

3.1. Application Period

Applications are accepted according to the official admission schedule announced by Walailak University. The International Direct Admission under **TCAS Round 1 (Portfolio)** consists of five application sub-rounds, as outlined in the Appendix. Applicants are advised to check the official admission website at

https://entry.wu.ac.th for application deadlines, interview schedules, admission results, and enrollment confirmation procedures.

Note: This schedule applies only to TCAS Round 1 (Portfolio). Admission schedules for TCAS Rounds 2 and 3 will be announced separately by Walailak University.

3.2. Online Application

Applicants must submit their applications through the Walailak University Admission System: https://entry.wu.ac.th

First-time applicants must create an account before completing the online application form.

3.3. Document Submission

Applicants must complete the online application form and upload all required supporting documents through the admission system.

All submitted documents must be accurate, complete, and clearly legible. The list of required documents is provided in the Appendix.

3.4. Application Fee

The application fee is THB 300 per program. Applicants must pay the application fee according to the instructions provided through the admission system. Payment may be made through supported mobile banking applications, excluding Siam Commercial Bank (SCB). International applicants who are unable to use the designated payment system should contact the program for assistance.

3.5. Interview Process

Shortlisted applicants will be invited to attend an online interview via Zoom.

The interview schedule will follow the University's official admission schedule. Interview details and instructions will be communicated to eligible applicants.

4. Selection and Admission

4.1. Application Review

Applications will be evaluated by the Selection Committee of the School of Allied Health Sciences based on academic qualifications, portfolio, and other applicable admission requirements.

Applicants with alternative educational qualifications or grading systems will be assessed individually to determine academic equivalency.

4.2. Announcement of Admission Results

Admission results will be announced through the Walailak University Admission System according to the official admission schedule.

Applicants are responsible for checking their application status and following the instructions provided by the University.

4.3. **Enrollment Confirmation** Successful applicants must confirm their intention to enroll and complete the required enrollment procedures within the deadlines specified by Walailak University.

4.4. **Acceptance Letter and Student Visa** Successful international applicants will receive a Letter of Acceptance from Walailak University after completing the applicable admission procedures. The Letter of Acceptance may be used as supporting documentation when applying for a Non-Immigrant Education (ED) Visa at the relevant Royal Thai Embassy or Consulate. International students must obtain the appropriate visa and comply with Thai immigration requirements before entering Thailand.

5. Important Information

5.1. All information and supporting documents submitted by applicants must be accurate, complete, and authentic.

5.2. Academic qualifications obtained through alternative educational systems will be reviewed by the Selection Committee to determine equivalency.

5.3. Documents issued in languages other than English must be accompanied by an official English translation.

5.4. The Selection Committee reserves the right to request additional documents or information when necessary.

5.5. The admission schedule and procedures are subject to change in accordance with University announcements. Applicants are advised to check the official admission website regularly for updates.
